### **Wine Walks Bill Signed into Law**

**Madison** – Today, Senate Bill (SB) 236, also known as the Wine Walks bill, was signed into law as Act 62. Rep. Dave Considine (D-Baraboo), a co-author of SB 236 and its Assembly companion, issued the following statement:

“As many communities in and around the 81<sup>st</sup> District know, Wine Walks are a great resource for our local economies. These events are a chance for friends and neighbors to get together and explore local businesses in the heart of their communities. Almost every business imaginable benefits from Wine Walks: salons, retail shops, bars, restaurants, construction firms, bed-and-breakfasts, hotels, and more.

“SB 236 is a true example of a successful bipartisan effort to support local control and improve our state’s economy. I was proud to stand with Senator Marklein and representatives from Baraboo, Portage, and other nearby communities to see this bill become law today. As always, I am honored to serve the citizens of the 81<sup>st</sup> District, and I look forward to seeing them at Wine Walks in the future.”
